

WINTER 2022 CLASS

RECORDER CLASS: TRANSITION FROM SOPRANO TO ALTO

Are you a Soprano recorder player who is secretly longing for the **lower sound of the Alto**? Have you thought about transitioning from Soprano to Alto but are really nervous about **learning f-fingerings**? If you are ready to play with other musicians, you know that sooner or later you will be asked to play **recorders other than the soprano**.

This 10-week class introduces f-fingering step-by-step in **manageable increments**. You will also refine your **breathing**, work on your **tonguing** and **articulation**, and strengthen your **rhythmical** skills. Not to mention all the fun you will have with the **vast repertoire written for Alto!**

Sign up now! Classes are held on **Thursdays at 12:00pm PST** via Zoom. To register or for questions, email instructor Inga Funck at **funck.inga@gmail.com**. You will receive music and the Zoom link via email.
